Save the date - Kesko Corporation will organise an investor event with visits to its logistics centres on 29 September 2025

Kesko will be hosting an investor event on Monday, 29 September 2025, starting in the morning with visits to its grocery trade logistics centre in Vantaa and the new Onnela logistics centre for Onninen and K-Auto in Hyvinkää, which will begin operations in H2/2025.

Transportation will be provided from Kesko's K-Kampus in Helsinki. Kesko's CEO Jorma Rauhala and CFO Anu Hämäläinen will then provide presentations on the company's drivers for growth and profitability and the progress made in Kesko's strategy execution. The event is aimed at institutional investors, analysts and the media. The event will be held and materials provided in English.

An invite with detailed programme and instructions for registration will be published closer to the event.
